For Imperial and ExxonMobil Companies in Canada

Joining an annuitant club will keep you in touch. The opportunities for you to use your talents, experience and know-how as an individual or in concert with fellow annuitants, could be virtually limitless. The objectives of the annuitant clubs are:

- To promote communication, fellowship and mutual helpfulness among annuitants and spouses;
- To establish and maintain contact and communication with the company in matters of interest to annuitants and spouses;
- To provide annuitants and spouses with opportunities for greater use of their talents in their communities;
- To encourage annuitants and spouses to continue a productive relationship with the company and foster support for the company's association with the community.
